WORKING TOGETHER TO RESTORE OUR NATION'S BIBLICAL AND MORAL FOUNDATIONS™

Turning America's Culture Around Starts in Your Church™

START A SALT & LIGHT BIBLICAL CITIZENSHIP MINISTRY™

The Salt & Light Council trains and equips churches to engage in Biblical Citizenship.

Biblical Citizenship is thinking and behaving in accordance with the Bible in the context of one's role as a citizen of the United States. A "citizen," as defined in Noah Webster's dictionary of 1828, "is a person of the United States who enjoys the freedom and privileges in which he resides ... who has the privilege of exercising the elective franchise ... which enables him to vote for rulers."

Yet, the decline of Godly influence has left a moral vacuum and God's natural laws are being trampled. Our religious freedom is in great danger. Jesus is the Great Messenger ...yet, the messaging has been hijacked by media, education and government.

The Salt & Light Council provides comprehensive leadership training with tools that engage and energize your church. Why reinvent the wheel? Our successful, turn-key ministry walks you through every step of Biblical Citizenship - training, strategies and continual support. Our use of role-play and interactive exercises enables your church to confidently message pertinent topics with a genuine love mindful of the Great Commission.

Take Courage! Imagine thousands of Christian churches inspired to repent, pray and take action at the same time. That's holy impact!

Dear Christian,

Share With Your Pastor

As Americans, we have a God-given commission to be involved in all sectors of society in order to preserve our heritage, our freedoms, and our Christian values for the next generation. Will you join us in mobilizing Christians in your church to be salt and light? We encourage you to make an appointment with your pastor to share information about the need for a Salt and Light Biblical Citizenship Ministry. Consider how you might offer to be trained to oversee this important ministry. James 4:17

A SUSTAINABLE, TURN-KEY MINISTRY WITH LEGAL AND ONGOING SUPPORT

"The Salt & Light training was all we had prayed for ... and more. Role-playing is much more conducive to learning than being put on the spot our first time behind the table. Very well done! Thank you for teaching us and making it easy to get this ministry up and running - to immediately take action at a local level!"

- John Bellavich, Trained Salt & Light Leader,
Abilene Baptist Church

SALT & LIGHT SUNDAY™ EASY 1-2-15™

Become strong agents of restoration with a once-a-month Salt & Light Sunday. We recommend one time each month that you take just two minutes to inform your congregation on a state and national issue - that we provide - and persuade people to go to the Salt & Light table for less than 15 minutes of action. It's that simple! You will be encouraged by the actual numbers of those who respond to your pulpit announcements. All issues have been

vetted by legal counsel so you can boldly preach God's truth with confidence and encourage action.

"If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it."

- Charles G. Finney, December 4, 1873, Pastor
and The Father of Modern Revivalism.
