RESTORE PATRIOTISM AND HISTORICAL FOUNDATIONS - TOTAL 6 HOURS

It is an historical fact that America was founded on Biblical principles. God's hand has been upon this nation from its inception. Sadly, the Founding Fathers' original intent for this country has been lost. Prayer and Bible reading has been removed from schools. Displays of crosses and nativity scenes ripped from public places. The 10 Commandments is in jeopardy of being removed from the very judicial system that takes its oath on the Bible. The removal of God must stop. A nation that does not know where it came from, will not know where it is going. These DVD-based programs for adults and teens will restore your patriotism and joy for this country.
